

CREATIVE CAREER & SIDE HUSTLE IDEAS

You Haven't Thought of Yet

DO WHAT YOU LOVE AND GET PAID FOR IT!

Hey Boss! My name is Kezia Marie and I am your Goal Success Coach. My goal is to help individuals discover their passion and purpose, connect their passion and purpose together, create a plan of action and set strategic goals like a boss!

There is nothing like discovering your purpose and actually living your life operating in your God given purpose! Unfortunately, many people are not doing so. And, I've come to realize that it is because many are unaware that their passion is often connected to their purpose and that you can do what you are passionate about and get paid for it. Some people are just unaware of the unique possibilities and opportunities that are out there. In fact, if the opportunity doesn't currently exist, you can create it!

As a Goal Success Coach, I want to help you shift your mindset so that you can see the opportunities that are out there to do what you love and get paid doing it! I have created this PDF to share with you a few ideas that you may be interested in pursuing or that may trigger ideas of your own. Remember, absolutely anything is possible!
